

Features

- Durable, low-maintenance, triple chrome-plated, carbon steel frame is long-lasting
- Dual axle positions allow variation of seat-to-floor heights
- Offset permanent arms available in 16", 18" and 20" widths
- 14-gauge crossbraces add strength and durability
- Urethane rear tires mounted on "no flex" wheels offer superior performance
- Low-maintenance, dual-sealed precision bearings
- Heavy-duty inner liners keep seat and back from stretching
- Flame-retardant upholstery resists mildew and bacteria, as well as cold-crack and UV damage
- Upholstery is dual-embossed

Tracer offset permanent arms allow for full seat width between arms.

The Invacare IVC Tracer EX2 wheelchair sets the new standard in manual wheelchairs. The Tracer EX2 combines the design and technology of the Invacare 9000 series and incorporates it into the Invacare Tracer series. A true dual axle position allows for repositioning the 24" rear wheels and 8" casters for adult and hemi seat-to-floor heights. Offset permanent arms offer full seat width up to 20" with a permanent arm, hemi spaced footrest and full range of accessories. The EX2 design also makes it possible to interchange components with the 9000 series chairs.
